That on or around April 6, 2020 JWG Intervened due to the foreclosure of her home at 15 W. Spring St., Alexandria, VA 22301. **That Intervener can not find an HONEST COURT that will look at the information and the criminal acts and actions of many.** That new evidence shows that the Management of OCWEN/PHH is not dealing with the public in good faith.

That JWG had reached out to Leon Cooperman, investor, due to the conversations JWG had with past employees of OCWEN / PHH, who stated clearly that many criminal acts and actions in foreclosure were taking place.

After these calls JWG started receiving notices from OCWEN/PHH/NewRez that they were investigating an issue. JWG never reached out to the above.

In court the lawyers for OCWEN/PHH/NewRez stated JWG was harassing OCWEN et al - true fact the opposing side was sending JWG the letters.

The Judge is from 4 ½ hours away, Troutman Pepper Hamilton Sanders lawyers for OCWEN used an attorney friend of the Judge 41/2 hours away. This ensured OCWEN a win in Virginia.

This Judge has ignored that OCWEN attorney who stated Wells Fargo Bank owned the loan, and that when JWG tried to put into the record this was a lie as Wells Fargo Bank put into a Notarized Statement that they had nothing to do with any loan on 15 W. Spring St.. Again the Judge ignored such information.

This shows how the OCWEN lawyers are allowed to go into the courts and LIE and the Judge ignores it. This is a pattern and practice all across the United States of America.

There is nowhere for anyone to go for help. That the fact this case started in 2017, and the schemes they have been able to get away with since then, shows they have no remorse and will only continue to do as they have done.

That the lawyers for OCWEN/PHH are making MILLIONS yearly to lie in court and support fraudulent documents.

That Judges who have a financial conflict look the other way, are allowing illegal foreclosures.

Many ignoring the criminal activity have stock interests, many citizens don't understand the games that the Management of OCWEN are playing. How do you go from a stock worth less $. 50 cents turns into $22.00 a share overnight.

JWG understands how her 5 shares worth $2.50 approx ,overnight became 1 share of $22.00. That was created to keep them on the New York Stock Exchange.

That after JWG contacted Leon Cooperman and told him about the crimes of OCWEN, even sending him documents, Cooperman went all over the news media "BUY OCWEN" he is a public figure that when you google he will tell you what stocks to buy. He is the Principle of Omega Investments.

He has stated in Game Stock home traders should be stopped.

LEVIN REPORT

ANGRY HEDGE FUND BILLIONAIRE LEON COOPERMAN IS MAD AT GAMESTOP REDDITORS FOR "ATTACKING WEALTHY PEOPLE"

BY BESS LEVIN
JANUARY 28, 2021

"The reason the market is doing what it's doing is people are sitting at home getting their checks from the government, okay, and this fair share is a bullshit concept."

FROM BLOOMBERG/GETTY IMAGES.

As you've probably heard by now, shares of GameStop, the video game retailer, have surged approximately a gazillion percent in the past six months, spiking sharply in the last several days. You might wonder why that happened, given that most people don't go to the store to buy video games anymore, particularly during a pandemic, and the short answer is that a gaggle of small-time traders, many of them posters on the Reddit forum r/WallStreetBets, decided it would **be both funny** and a bit of cosmic retribution for them to drive up the price of GameStop's shares, screwing over the hedge fund managers who'd bet the company's stock was going to drop precipitously.

Cooperman is no different than Bernie Madoff. Madoff at least stole from his counterpart the RICH. Cooperman is stealing from Middle America. Cooperman is no Robin Hood helping the poor.

It is Mr. Cooper, NewRez, OCWEN/PHH, Brookfield who the insiders of OCWEN say to watch. Cooperman has large ownership.

Billionaire Leon "Lee" Cooperman[1] had very humble beginnings as a plumber who grew up in a Jewish family in the Bronx. After graduating from the Columbia Business School in 1967, Cooperman joined Goldman Sachs and worked his way up to top roles like **CEO of Goldman Sachs Asset Management, CIO and head of GS Capital Growth Fund.** He left the firm after 25 years and founded Omega Advisors, a $3.4 billion hedge fund based in New York City. In 2018, Leon Cooperman converted Omega Advisors to a family office. An early riser, Cooperman spent most of his life in Short Hills, New Jersey.

Leon Cooperman is one of the most respected figures in the financial world today with over $2.5 billion net worth as of February 21. As of the end of the fourth quarter of 2020, Omega Advisors reported $1.39 billion in managed 13F securities. Its top 10 holdings account for about 61% of the total portfolio.

Leon Cooperman and GameStop (NYSE:GME) Cooperman sparked a stir recently following his angry comments during an interview with CNBC regarding the GameStop saga. The billionaire said that the GameStop crisis shows the weaknesses of the regulatory authorities. He also said that the "fair share is a bullshit concept" and a way of attacking wealthy people. The 77-year-old investor believes that there is "too much bullishness" in the market and he is also worried about the rising fiscal deficit and debt levels. In September 2016 the SEC charged the billionaire and Omega Advisors for insider trading related to Atlas Pipeline Partners. The hedge fund agreed to settle the

charges for $4.9 million in 2017. Despite these controversies, Cooperman's stock-picking strategy remains peerless. Omega Advisors generated more than 12% annualized returns since inception through 2018.

What the articles don't talk about is his insider trading charges:

Public Statement[2]

Statement on Leon Cooperman Settling Insider Trading Charges

Stephanie Avakian, Acting Enforcement Division Director

May 18, 2017

"If approved by the court, this settlement protects against future violations while requiring Cooperman and Omega Advisors to pay significant fines for their misconduct. By imposing an independent consultant to monitor their trading activity, the resolution helps protect our markets from future risk of insider trading."

TERM SHEET

Hedge fund manager Leon G. Cooperman and his firm Omega Advisors have agreed to settle insider trading charges and beneficial ownership reporting violations by paying nearly $5 million and subjecting themselves to onsite monitoring by an independent compliance consultant with access to their electronic communications and trading records.

The settlement, subject to court approval, would conclude litigation that included a significant ruling in favor of the SEC after the agency filed its complaint against Cooperman and Omega in September 2016.

Monetary Sanctions

Cooperman and Omega agreed to pay:

- $1,759,049 in disgorgement of ill-gotten gains
- $429,041in pre-judgment interest
- $1,759,049 in penalty for the insider trading violation
- $1,000,000 penalty for the beneficial ownership reporting violations (ordered as to Cooperman only)

Independent Consultant

To guard against insider trading, Cooperman and Omega must retain an onsite independent compliance consultant until 2022 (unless Omega Advisors ceases to be a registered investment adviser prior to that date). The independent consultant:

- can access, without prior notice, their electronic communications, trading records, and research
- will review trades by Cooperman and Omega on an ongoing basis
- will recommend improvements and conduct training

- will report to the SEC

Monthly Certifications

- Cooperman and Omega must make monthly certifications that they were not aware of material nonpublic information prior to any securities trades such that the trades would violate Section 10(b) of the Exchange Act.

Beneficial Ownership

- Cooperman and Omega shall outsource their required beneficial ownerships filings to a law firm acceptable to the SEC.
- Omega will conduct training and perform an annual review of Omega's beneficial ownership reporting policies and procedures.

That JWG believes when given information of criminal activity in a company, asking that company to investigate it by all appearance, then going public and suggesting people buy it is not in the best interest of the public or legal?

That the appearance is the CFPB is doing the best it can with its hands tied, that the Banks & Servicers ignore their basic jobs to ensure they can raise the bottom line of the top 1% of the Management of the companies and Leon Cooperman et al.

That Leon Cooperman's outrage at the middle class making money in the stock market states it all.

Some of the issues why JWG filed Intervene, include the following laws broken

That OCWEN foreclosed on Janice Wolk Grenadiers home of now 29 years with Forged, Fake Fraudulent Documents.

The foreclosure took place On or around March 30, 2018 (JWG is still in the home) then sent a Fraudulent IRS 1099-A, (February 2019).

The lawyers for OCWEN - TROUTMAN Pepper Hamilton SANDERS have used an agent Micheal Martinez to harass and try to get JWG to do a short sale after the Foreclosure. The appearances for personal gain for lawyers at Troutman Pepper Hamilton Sanders (Lawyer Syed Mohsin Reza.

The alleged loan has now been transferred to NewRez LLC by OCWEN /PHH as of on or around August 26, 2019, remember this loan was foreclosed on by Wells Fargo Bank N.A. on or around March 31, 2018.

That lawyer Syed Mohsin Reza on February 27, 2020 sent JWG a malicious, threatening letter, after having stated in court on or around August of 2019 that " WELLS FARGO BANK N.A." owned the alleged loan.

On December 7, 2018 Wells Fargo Bank N.A. filed in the City of Alexandria Court that it was unable to locate any Information on such loan and or home.

On August 7, 2019 in a **notarized letter** Wells Fargo N.A. No documents, records, or other materials exist for Janice Wolk Grenadier and or the property at 15 W. Spring Street, Alexandria, VA 22301.

That Janice Wolk Grenadier owns stock in OCWEN / PHH merge on or around October 4, 2018, NewRez LLC (OCWEN is moving its Assists which includes and not limited to loans that do not EXIST or should not such as Spring St.) aka New Residential Investments Corp, Wells Fargo Bank and Mr. Cooper. JWG filed 42 Complaints between 2017 - 2019 Ignored by the CFPB.

Regs. Sec. 1.707-3(b)(2) Disguised sales of property to partnership;
Theft by deceptive taking
Illegal Conversion of Real Estate

That when OCWEN issued the 1099-A it did not use a company it would have and did use a name that could be a "Payer Agent" ? ALL FDCPA "debt collections" of JWG were denied.

This is the ENRON game with a twist:

1. Take Bad Assets written down to 10% of the original appraised value

2. Recap them by pulling them into CMBS
3. Originate loans to anyone by taking the title up front - under the IRS Rules for installment sale
4. Now the pool of crap is properly capitalized
5. Now amortize the bad Bank OREO by 10% annually to keep within range of a qualified investment
6. Assign the amortized amount annually to Consumers as pass-through investors
7. and then issue a 1099 A to close out these like-kind exchanges in the year of disposition
8. Where the title held by a BANK TRUSTEE A is released to the payees agent OCWEN
9. For the LLC to recast Itself by paying your withholding taxes on the Phantom earnings

The IRS calls these tax promoters and liquidation schemes "genius" intended to beat the best intent of Congress who is the authoritative guidance under Title 26. These are passed through Investments. JWG did not agree to a pass through Investment.

That JWG claims against OCWEN et al for ABUSE AND FRAUDULENT PROCESS by Officers of the Court acting to wrongly take real estate of the Petitioner located at 15 Spring Street, Alexandria, Virginia (22301) under color of law and fraudulent trustee process, to intimidate and cause a wrongful auction on August 17, 2017 and now October 5, 2017 (stating information requested in 2012 will be given to JWG on or around October 2, 2017) , to wrongfully take JWG's real estate without right established by AUTHENTIC DOCUMENTS as REQUIRED BY LAW.

THEFT BY DECEPTIVE taking: the attorney and trustee acts, under color of law, are intentionally designed to harass and intimidate plaintiff to wrongfully deprive her of her lawful rights of ownership, by Brock & Scott PLLC on or around March 30, 2018,

THAT the Defendants, individually and jointly are acting and acted in bad faith, for their own financial interests (and not that of any client) to perpetuate a financial law-scam for their own advantage against the Plaintiff under color of law, including breach of fiduciary duty to this plaintiff/homeowner indicating a LACK OF DUTY OF CARE, FAIR DEALING AND GOOD FAITH that is A PATTERN AND PRACTICE OF DEFENDANTs

Defendant conspiracy to enrich themselves: SERVICER OCWEN AND FORECLOSURE LAWYER BROCK AND SCOTT, MCCABE WEISBERG & CONWAY, Parker, Simon & Kokolis, LLC (AND OTHERS) APPEAR to have designed a fraudulent 'foreclosure' scam that takes personal financial ADVANTAGE of homeowners by FRAUD under color of law, without a bonafide client (in this case, Wells Fargo Mortgage Co.) THE Defendant's acts seek to BENEFIT themselves, as officers of the court, by manipulating the "trustee" system, to illegally move homeowner property into foreclosure auction, where the officers of the court are the sole-beneficiaries. This FRAUDULENT SCHEME, uses illegal intimidation and improper auction process (of Virginia real estate) TO generate excessive profits for their own law-corporate/trustee POCKETS

In this case, pursuant to Wells Fargo CEO office statements to JWG and CRPB on or around August 11, 2017, there is no JWG / Wells Fargo loan underlying the OCWEN and co defendant's actions.

Servicer-Company, OCWEN fraudulently stated, " we have a copy of a note we get to collect on." For reasons demonstrated herein, that statement is untrue, and all defendants have refused to produce any such instrument. Under color of law, the Defendants fraudulently acted to 'collect' a non-existent Wells Fargo ``loan" by hiring Foreclosure Lawyers/ BWW Law Group/Brock and Scott / MCW, Parker, Simon & Kokolis, LLC" who ignored the Fourth Circuit stay on said property – by improperly implementing foreclosure and auction proceedings for their joint-profit, by acts and omissions that are illegal and unethical under the laws of Virginia. OCWEN WITH OCWEN LAWYERS MALICIOUSLY INTERFERED WITH the rights and real property interests of JWG, and have cause extensive damage and irreparable harm as a result, for which the JWG seeks compensatory and punitive damages for the Defendant's joint illegal acts of pretext, by lawyers and trustees, under color of law. That OCWEN used its own employees to impersonate that they had Power of Attorney for Wells Fargo Bank.

A Pro Se Litigant

The law is very clear a pro se litigant is to be given equal treatment if not special treatment, especially in a case where the intervening Person is a lawyer and has the financial ability to bring in as many powerful unscrupulous lawyers to defend her criminal actions.

"Pro se plaintiffs are often unfamiliar with the formalities of pleading requirements. Recognizing this, the Supreme Court has instructed the district courts to construe pro se complaints liberally and to apply a more flexible standard in determining the sufficiency of a pro se complaint than they would in reviewing a pleading submitted by counsel. See e.g., Hughes v. Rowe, 449 U.S. 5, 9-10, 101 S.Ct. 173, 175-76, 66 L.Ed.2d 163 (1980) (per curiam); Haines v. Kerner, 404 U.S. 519, 520-21, 92 S.Ct. 594, 595-96, 30 L.Ed.2d 652 (1972) (per curiam); see also Elliott v. Bronson, 872 F.2d 20, 21 (2d Cir.1989) (per curiam). In order to justify the dismissal of a pro se complaint, it must be " 'beyond doubt that the plaintiff can prove no set of facts in support of his claim which would entitle him to relief.' " Haines v. Kerner, 404 U.S. at 521, 92 S.Ct. at 594 (quoting Conley v. Gibson, 355 U.S. 41, 45-46, 78 S.Ct. 99, 102, 2 L.Ed.2d 80 (1957)).

"Fairness of course requires an absence of actual bias in the trial of cases. But our system of law has always endeavored to prevent even the probability of unfairness. "In re Murchinson, 349 U.S. 133, 136 (1955)"

No officer of the law may set that law at defiance with impunity. All the officers of the government from the highest to the lowest, are creatures of the law, and are bound to obey it." Butz v. Economou, 98 S.Ct. 2894 (1978); United States v. Lee, 106 U.S. at 220, 1 S.Ct. at 261 (1882)" "Further it is the obligation of every Judge to honor, abide by, and uphold not only the Constitution and laws of the State, but they are bound by the laws and Constitution of the United States as well." State courts, like federal courts, have a constitutional obligation to safeguard personal liberties and to uphold federal law." Stone v Powell, 428 US 465, 483 n 35, 96 S. Ct 3037, 49 L Ed. 2d 1067 (1976)"

It should be remembered in review of this Intervene that JWG could not get a lawyer and has had no choice but to STAND UP and SPEAK OUT for herself with no help from any lawyers.

RELIEF REQUESTED

JWG / Intervenor incorporates herein by reference all of the allegations contained in the above Paragraphs of this Complaint.

PRAYER FOR RELIEF WHEREFORE, JWG requests that this Court:

Enter an Order of ENFORCEMENT of a STAY by this court on 15 W. Spring Street, Alexandria VA 22301. Till a fair and unbiased Judge and Jury hear this case.

Stay to be in effect until completion of CFPB, SEC, FTC, and or DOJ and FBI investigations of criminal acts involving JWG in this matter or further order of the court.

Order judgment for JWG and other Interveners that Defendants have no claim or right to the property in dispute. That the title of the home is reverted back to JWG or of her choosing.

Enter an order declaring Defendants' conduct negligent;

Award JWG compensatory, punitive, exemplary damages against Defendants jointly of $38,000,000.00 (Thirty Eight Million to send a strong message of deterrence for this type of attorney/trustee behavior.

Award JWG reasonable attorney fees and costs.

AT the very least a MEDIATOR to review all allegations of Intervener since the CFPB is ignoring the harm being done to the public, due to no power to protect the public.

Grant to JWG such other and further relief as this Honorable Court may deem just and proper under the circumstances, including but not limited to appropriate injunctive relief.
